

The Aandaal Project

- Founder Invitation – A \$1M Reward Opportunity

Benefit #1 – \$1M ANDAL Coins Safeguard £10k

- Receive \$1,000,000 worth of ANDAL Coins on entry
- Protects the £10,000 founder commitment whether the startup succeeds or not
- Upside potential via utility + network growth

The Aandaal Project

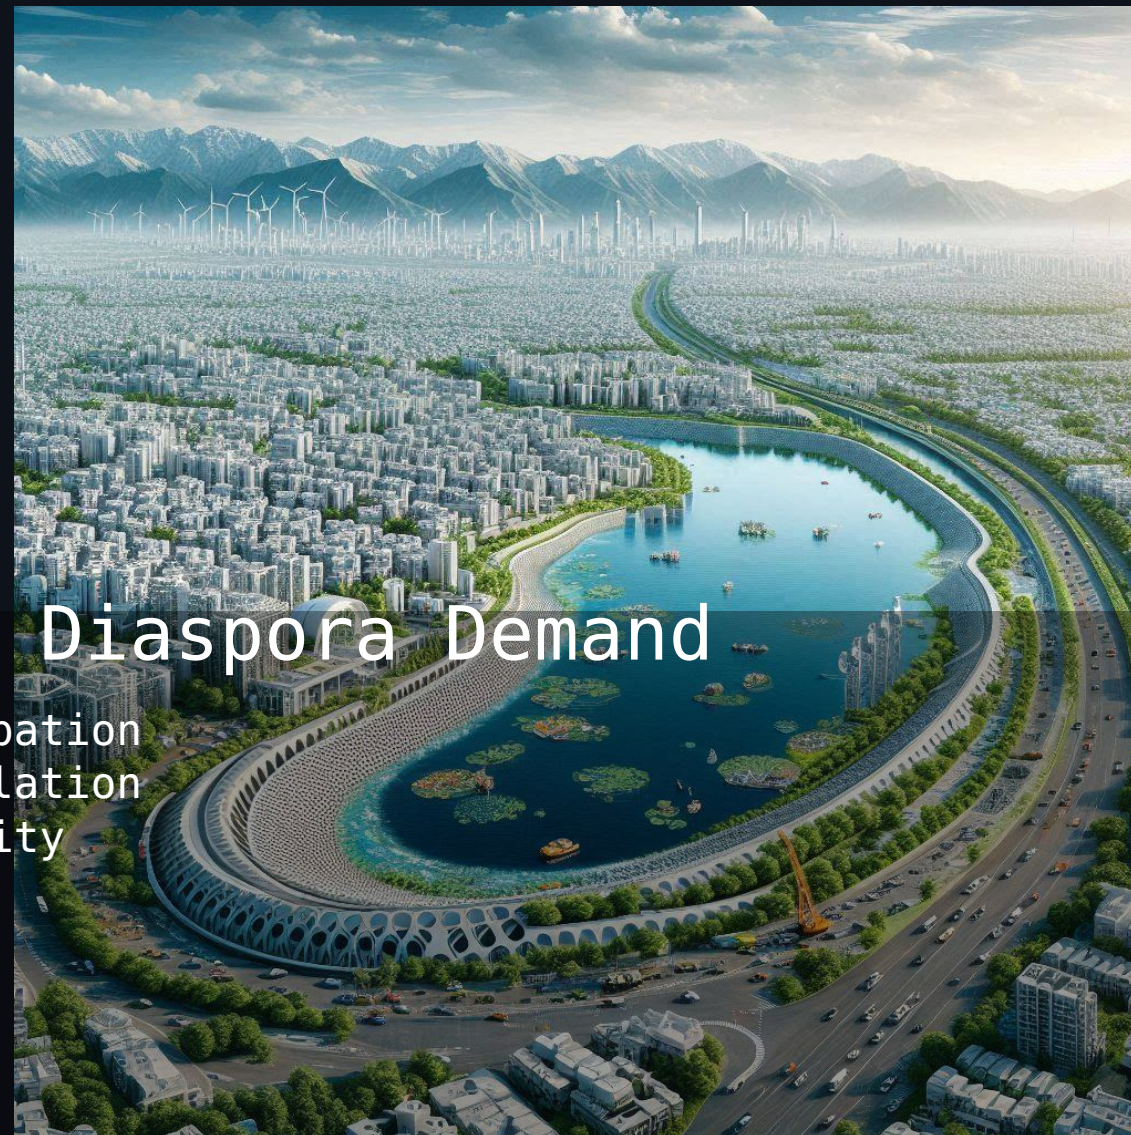

Benefit #2 – Independent of Angels/VC

- Crypto treasury funds roadmap without dilution
- Community-powered capital + faster execution
- Strategic partnerships without giving up control

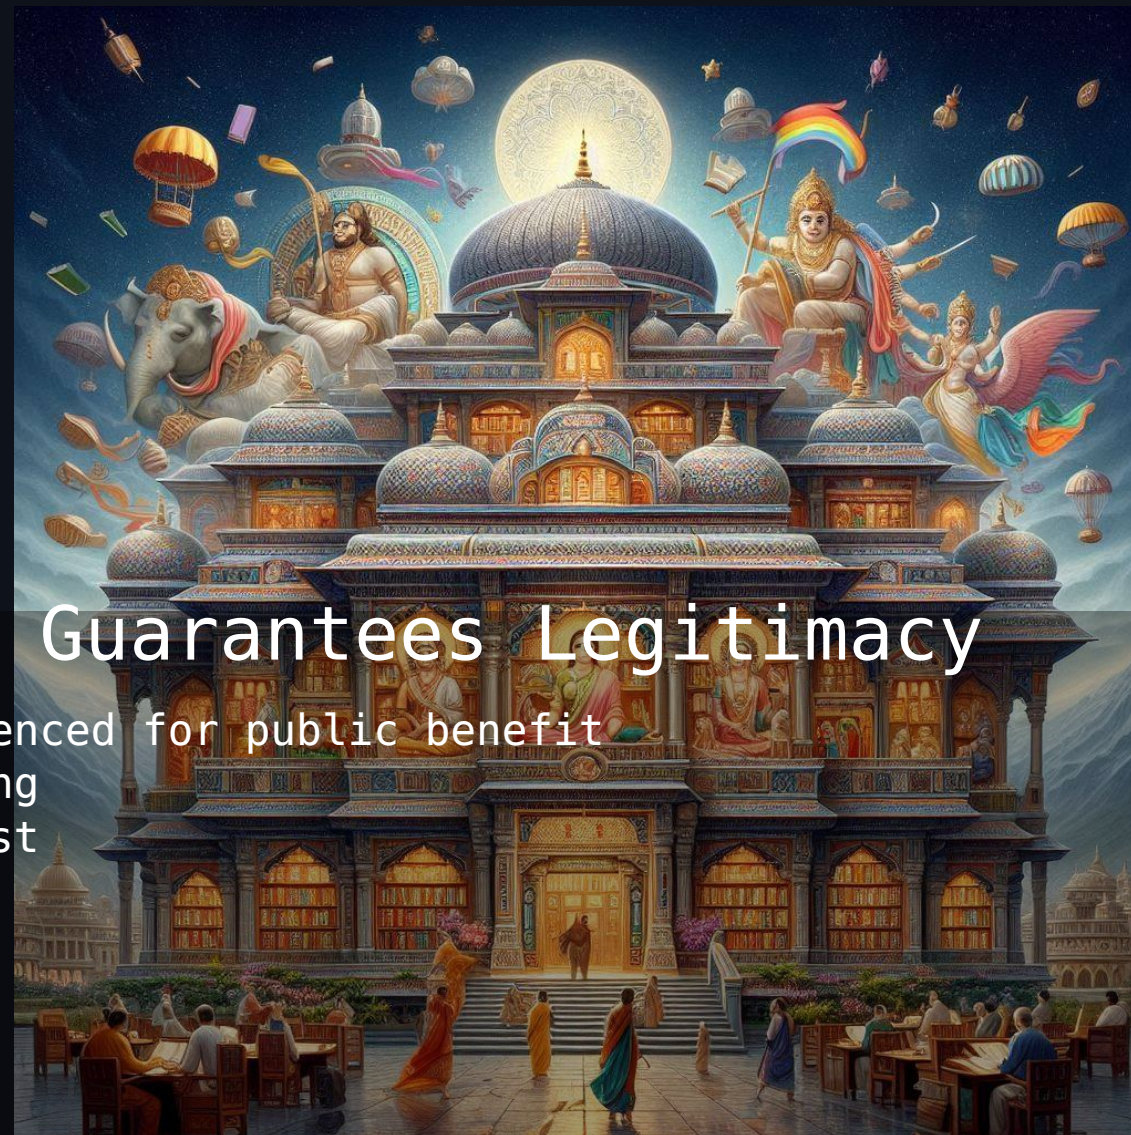

Benefit #3 – 50M+ Tamil Diaspora Demand

- Global community ensures broad participation
- Natural network effects for coin circulation
- Grassroots advocacy and cultural affinity

Benefit #4 – UK CIC Law Guarantees Legitimacy

- Asset-locked structure; profits ring-fenced for public benefit
- Independent oversight + annual reporting
- Transparent governance that builds trust

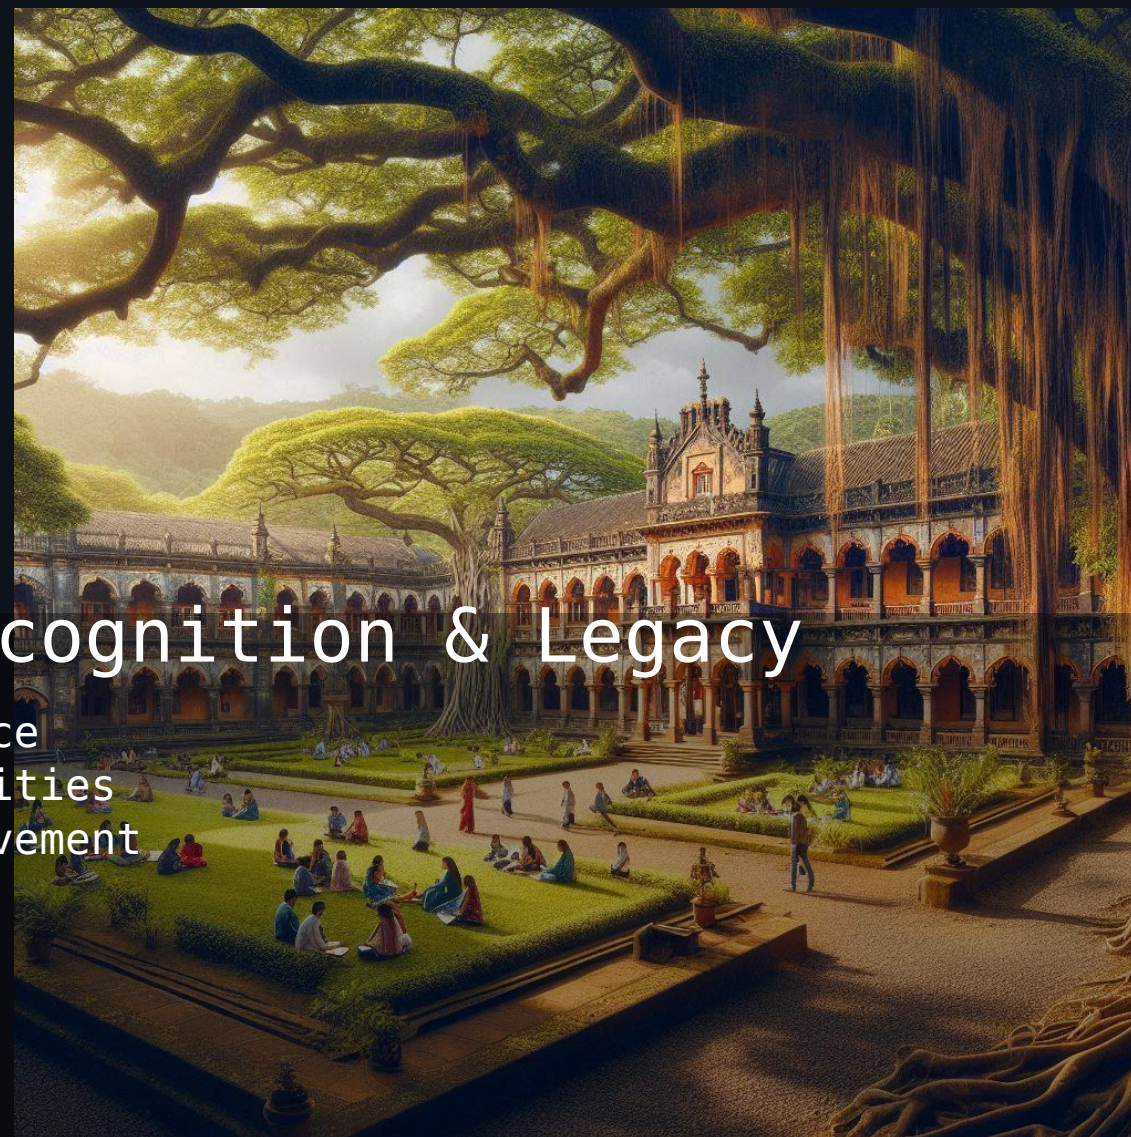

Benefit #5 – Proven Tourism Model (Disneyland Economics)

- Immersive experiences drive high-margin, repeatable revenues
- Multiple streams: tickets, hospitality, licensing, sponsorships
- Benchmark valuations from global destination parks

Benefit #6 – Founder Recognition & Legacy

- Early influence on vision and governance
- Naming and public recognition opportunities
- Founding role in a century-defining movement

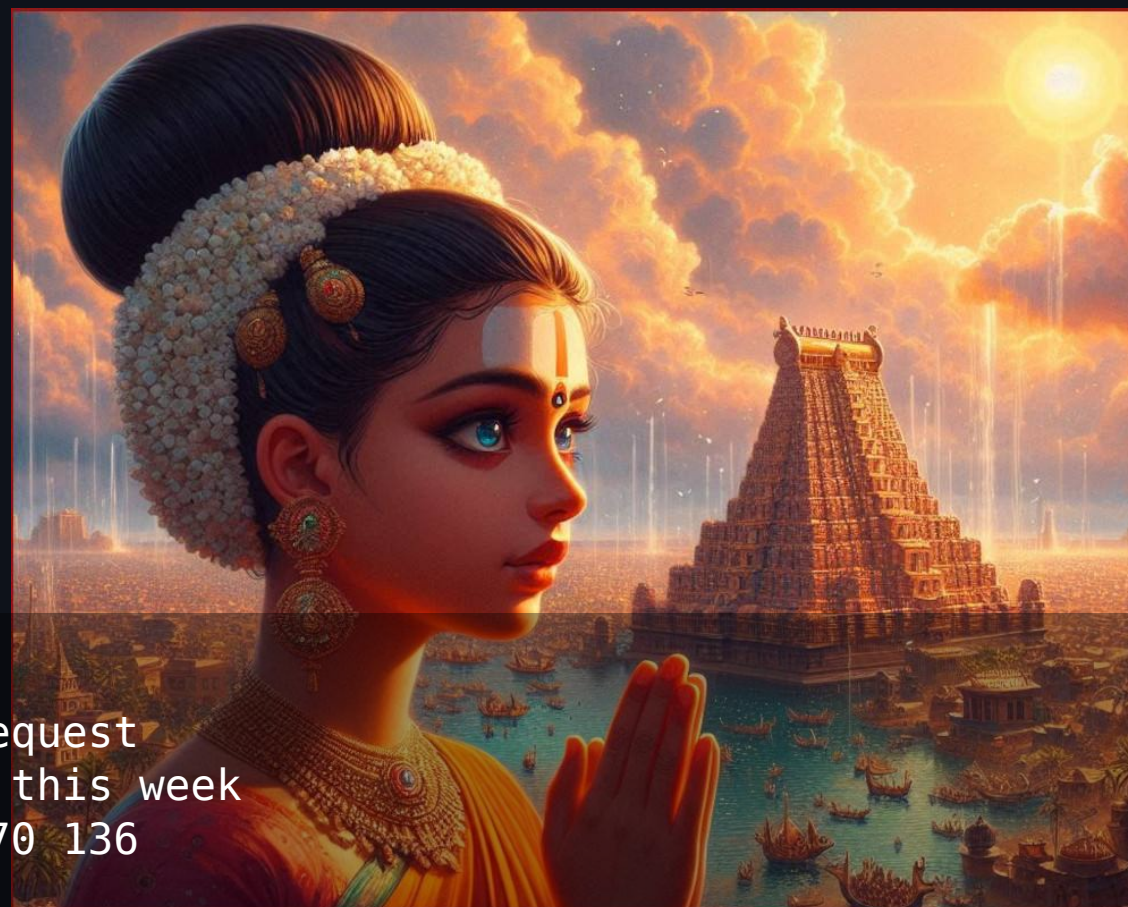

How It Works

- Commit £10,000 to secure a Founder place
- Receive \$1M in ANDAL Coins + governance influence
- Development phases funded by crypto + revenue pilots
